H JOY! Oh Rapture! Our own dear Elders came out of it yesterday and handed it to McCloskey's unruly Babes by a score of 8 to 2. The Saints most certainly had on their baiting garments yesterday, and the way they fell onto Thompson's shoots was meat and drink to the local fans. "Long Jin"

Thompson came here heralded as a National leaguer who had done time with the Pittsburg champions, and grave fears inreed in the breasts of the local rooters when it became known that he was to do the pitching. "They'll never hit him!" came the cry fron the bleachers. But they did hit him!

Thompson is undoubtedly a high-class slab artist, as his record shows, but he is unused to this altitude. The Elders fell on to his delivery in the third inning for two runs, in the fifth for two and in the seventh for four more. Fred Weed knocked the ball clear over the left field fence, "Dutch" Muller copped a two-sacker and Glm landed a similar one, in addition to eight singles by the team.

The disease which has brought more suffering, degradation and disgrace upon the human race is the same to-day that it was centuries ago. Pitcher Tozier played his first game with the 18st Elders yesterday, holding down the middle garden. Fred Weed made the first home run of the season yesterday afternoon and was rewarded with a \$10 note. E. G. Macilroy of the Federal club was the donor. Mac-liroy has made a standing offer to give \$10 for the first home run made by a Salt Lake player every month. He will also give \$5 to each player assisting in the first triple play made each month during the season.

"Go to 'sm, Mac. We're all hourse up here." This was the telegram received from a Bolse fan by 'Honest John' after the Infanis had won their second game with the Saints. The little Idaho town is haseball crary this year and the fans are willing to swear by McCloskey. If the Infants win the majority of the games on their trip abroad, Bolse will turn out en masse when they return and welcome them home as heroes.
